

Across San Diego Communities, We're In This Together

County of San Diego Temporary Public Health Nurse

Health and Human Services Agency

IMMEDIATE OPENINGS

\$39.63 - \$44.19/HR

This is a rewarding opportunity to play a vital role in our public health response. Assigned to the new T3 (*Test, Trace, & Treat*) Program, you will perform professional public health nursing duties in community and program settings to help test and treat individuals with COVID-19 symptoms.
